

GROOVY PICTURE MAT CUTTING
created by you!

The **Logan Groovy Mouse** is a new handheld v-groover. In addition to cutting traditional v-grooves using a straight edge ruler, the revolutionary Groovy Mouse can cut freestyle v-groove designs and mat openings! Includes quick corner marker, blade storage area on underside, two v-groove blades, and one cut-off blade. Uses Logan 326 blade kit.

Distributed by **National Art Materials**.
